Our Mission is to educate the public about the work of Peace Corps Volunteers and the countries they serve and supporting prospective, current and returned volunteers. NorCal is a 501(c)3 nonprofit, volunteer organization affiliated with the National Peace Corps Association. We have over 600 members composed of returned Peace Corps Volunteers (RPCVs), former staff, their families, and people who share our values of education, service and continuing the Peace Corps experience and ideals through local, national, and international activities.

Bay Area Girls Rock Camp is a nonprofit organization that empowers girls through music, promoting an environment that fosters self-confidence, creativity and teamwork. BAGRC challenges gender stereotypes, encourage collaboration and tolerance among peers, and provides a comfortable space for people of all backgrounds to express themselves. Through music lessons, workshops, group activities and performance, girls acquire skills that help guide them throughout their lives.
